

## Re-addressing Notice

If you have received a notice from the Monroe County Control Center referring to your new physical address number, this is for 911 emergency services and deliveries. There is a form available from the township that you will need to come in to the **Municipal Building** and fill out referring to this new address. You will need to have a 2-sided, green and white number sign installed at the mouth of your driveway. This will be done by the Maintenance Department and the cost for the sign is \$25.00.

If you have any questions, please call Rick Scrudato at 570-595-2602 ext. 3.
